

Moore-Online!

The website for The Village of Moore

(<http://www.moore-online.org.uk>)

The Village of Moore is situated midway between Runcorn and Warrington in the County of Cheshire. Although the website is 'Moore' Online we are part of a larger community and we include news from the wider area that is relevant to the residents of Moore. We will also be in contact with other community website's in the wider area and create mutual links where possible.

'Sponsoring Moore Online'

To keep Moore 'Online' we need to raise funds to pay for hosting fees and other costs. I am the Website Manager and my services are given free and will remain free for as long as I do the job.

We need sponsors, who for their support will be allowed to advertise on the website.

You can advertise your business on Moore Online as follows:

Each Sponsor can have a front page Advert with a link to their own website. If you don't have your own website we can create your own page on Moore Online, where you can give the readers a detailed list of all the services you have to offer, with pictures and this will be linked to the front page advert. Even if you have your own website, you can also have your own page on Moore Online if you want, it is up to you.

All we ask is that you give a small donation to Moore Online to help us keep going.

Have a look at the website front page where you will see some of the spaces I have made available for new sponsors. As we get more sponsors, more space will be made available.

Local organisations and charity's can advertise on Moore Online for free.

Would you like to help us keep Moore 'Online' ?
